

Community Survey

The Dovercourt Community League is a not-for-profit, volunteer organization, serving to connect our dynamic, family-oriented community together with the overarching goal of bringing our Dovercourt neighbours together for recreation and socializing. We accomplish this goal by providing social and recreation programming in the facilities in Dovercourt Park.

The Dovercourt neighbourhood has gone through a number of significant changes over the last few years, new families moving in from other parts of Edmonton, out of province and out of country.

To best represent the needs of all residents, the league has created a short survey to develop a better understanding of what residents prefer for programming. We want to make sure our communication methods, programs, events are in the best interest of those in the community. The league wants to ensure that we stay current and continue to evolve with the changing needs of residents in the area.

We encourage all members of your family to participate in this survey. It's a great chance to get children and youth involved in expressing their needs for recreation and programming. If you would like us to email you a PDF survey, contact info@dovercourtml.com.

We need YOUR help to create a better community. Make your voice heard!
